INDIAN AUDIT AND ACCOUNTS DEPARTMENT

OFFICE OF THE ACCOUNTANT GENERAL, MYSORE, BANGALORE.

Notification dated 19th July 1956.

From

The Accountant General, Mysore,
Bangalore.

To

The Heads of Departments,
and Deputy Commissioners of Districts,
and All Drawing Officers (State).

Sir,

Subject.—Stoppage of encashment of the A.C. Bills presented by the Drawing Officers who have not rendered Non-payable Detailed Contingent Bills in support of the A.C. Bills drawn by them during the year 1954-55.

No. Cir. 2-C.-T.M.—56-57. A reference is invited to Government of Mysore Official Memorandum No. Ch. S. 20829-910—Misc. 1158-55-1, dated 20th February 1956 on the subject indicated above (copy of which has already been forwarded by Government to all Heads of Departments and Deputy Commissioners of Districts).

2. As stated in paragraph 3 of the Official Memorandum instructions are being issued in conformity with the provisions of Article 220-B (iv) of the Mysore Financial Code, Vol. I, to all the Treasuries in the State, to return un-cashed all the Abstract Contingent Bills presented by such of the Drawing Officers as have not rendered Non-detailed Contingent Bills even in respect of the Abstract Contingent Bills drawn by them during the periods prior to 31st March 1954. It is quite necessary that strict instructions are issued to the defaulting officers to submit all the Non-detailed Contingent Bills to this office without any further delay.

3. As regards the Non-payable Detailed Contingent Bills due in respect of the Abstract Contingent Bills drawn during the year 1954-55, Drawing Officer-wise lists are being forwarded separately through the Heads of Departments concerned. Even in these cases, if the Non-payable Detailed Contingent Bills are not received within two months from the date of this notification, further instructions to the Treasuries will be issued by this office to stop payment of all Abstract Contingent Bills presented by the defaulting Drawing Officers.

4. The Heads of Departments and the Heads of Offices are therefore requested to take effective action for the prompt transmission of all the overdue Non-payable Detailed Contingent Bills.

P. K. SEN,
Accountant General.

4351

Circular dated 13th July 1956.

To

All Heads of Departments,
Government of Mysore.

Sir,

Sub.:—Separation of Accounts from Audit Procedure to be followed in the Settlement of cost of services rendered or supplies made under the scheme of departmentalisation of Accounts.

No. A.C.I.—10-18—56-57—242. I have to state, that under the scheme of separation of Accounts from Audit,

all inter-departmental and inter-Government transactions, where on one side a Pay and Accounts Officer is a party, are at present, settled on cash basis by means of cheques or Government drafts without involving the mechanism of Exchange and Settlement Accounts.

2. Accordingly under the scheme of departmentalisation of Accounts, in the case of cost of services rendered or supplies made by a department of the State Government to another department of Government, such as the Food, Rehabilitation and Supply Departments, the Stationery and the Printing Department of the Government of India or the Rajya Saba/Lok Sabha Secretariat of the Government of India, which have been equipped with Pay and Accounts Officer, the settlement is at present effected by this office by claiming reimbursement from the Pay and Accounts Office of the Department supplied, by means of Government drafts, on receipt of the necessary claims from the supplying department of the State Government. With a view to ensuring a speedier settlement of such transactions in the accounts, it has now been decided, that the settlement in such cases may bemade direct between the departments concerned, *i.e.*, the supplying Department and the Department supplied, without the intervention of the Accounts Officer of the Department rendering any service or making any supplies, as at present, in the following manner :—

A department of Government rendering any service or making any supplies to another Department of Government equipped with Pay and Acconuts Officer should submit its claim to the Department supplied duly supported by accepted invoices or other papers as the case may be. On receipt of the claim, the Department supplied will present a bill to its Accounts Officer for payment by him by Government draft bearing the crossing "Account Government" (not payable in cash) in favour of the supplying Department. The supplying Department should immediately on receipt of the Government Draft, arrange for its realisation by credit to the Departmental receipt head concerned, at the Treasury.

3. It will be seen from the above that in the settlement of the transactions of the type under reference, the Accounts Officer of the Department making the claim will not directly come into the picture, in future. Consequently, if any claims are inadvertently sent to this office for claiming reimbursement from the Separated Pay and Accounts Officers, they will be returned to the Departmental Officer concerned for claiming reimbursement direct from the Departments supplied.

4. The Heads of Departments are requested to issue necessary instructions to the subordinate officers under their control regarding the revised procedure indicated above.

Yours faithfully,

M. A. SIDDIQUI,

4503 *Deputy Accountant General* (Works).
